

Christ Classical Academy Parent Consent Form

Dear Parents and Guardians,

Thank you for considering Christ Classical Academy for your child's educational journey. To ensure that we provide the best support for your student, we would like to outline two options for obtaining the necessary educational evaluations.

Options for Evaluation:

1. Formal IEP Process through the Public School System:

- This process results in a legally binding Individualized Education Plan (IEP) that can be transferred to any school system, including universities.
- An IEP is required if you wish to apply for funding.
- Once the IEP is completed, we will utilize the information to tailor our classroom support to your child's needs.

2. Private Psychological Educational Evaluation:

- You may choose to have an evaluation conducted by a private company.
- Please note that this evaluation will be used solely by Christ Classical Academy and will not be transferred to any other educational institution.

By signing below, you acknowledge that you understand these two options and consent to proceed with your chosen path for your child's educational evaluation.

Please indicate your choice:

- ☐ I choose the Formal IEP Process through the Public School System.
- ☐ I choose the Private Psychological Educational Evaluation.

Parent/Guardian Name: _____

Signature: _____

Date: _____

Thank you for your commitment to your child's education. If you have any questions or need further clarification, please feel free to reach out to us.
