

## **CAMP INFORMATION & POLICIES**

### **REGISTRATION DEADLINE**

Registration fee is \$50.00 (non-refundable; one-time fee) This registration fee will hold your child's spot for the camps they choose. Once we receive the registration fee & form, we will send a confirmation email that your registration is complete, along with the policies and procedures of the program. Payment is cash, check, or money order. Full refunds are given for sessions canceled by Camp Christ Classical. The cost of each week is due the Friday prior to each week's camp. Campers who have not paid in full are not permitted to attend camp.

Half Day Camps are \$160-\$200 a week (bring your own lunch; 2 snacks provided).

### **WAIT LISTS**

For camps that are full, you may choose to be added to a wait list in the event openings become available.

### **WHAT TO BRING TO CAMP**

All campers should bring a labeled water bottle. Full-day campers will need to pack a lunch. A snack will be provided.

### **DROP-OFF/PICK-UP LOCATIONS**

All camps will drop-off/pick-up on the CCA Campus at the school's main office.

### **ADDITIONAL CAMP DETAILS**

- Camps will run Monday through Friday unless otherwise indicated.
- Christ Classical summer camps are open to the community. (Invite your friends!)
- Camps are subject to change in the unlikely event of insufficient enrollment or unforeseen circumstances.

### **CAMPUS ADDRESSES**

Camp will be held at Christ Classical Academy *of* Charlotte  
10132-A Harrisburg Rd, Charlotte NC 28215

### **CONTACT INFORMATION:**

For general summer camp and registration questions, please contact the Christ Classical Academy School Office at 704-549-4101.

## 2022 SUMMER CAMP DESCRIPTIONS

### **Is it Magic or Science? Experiments and 3D Design Camp**

Rising 4<sup>th</sup> grade through 7<sup>th</sup> grade

Week of June 20-24 | 8am-12pm | Cost: \$170

In this hands-on science and design camp, kids will complete 5 daily experiments and make a unique creation using a 3D printer. Experiments include crystals forming in water, balloons inflating on their own, a potion instantly changing color, soap making germs disappear, & objects floating in liquids. Is it magic or science? Students will also learn the basics of 3D design using free software to make their own created design.

Here is a brief schedule of each day.

Day 1: Self Inflating Balloon - Magic of Gas Pressure. Learn the basics of three-dimensional objects around us.

Day 2: Colorful Crystals Growing from Water - Magic of Supersaturation. Learn 3D design software - Tinkercad.

Day 3: Will it Float? - Magic of Density, Buoyancy, and Viscosity. Begin creating your own unique 3D images using Tinkercad.

Day 4: Soap Makes Germs Disappear - Magical Properties of Soap that Keep Us Safe. Print 3D images using a 3D printer.

Day 5: Make a Potion - Magic Potion Changes the Color of Liquids. Learn how 3D printers can be used to help and save lives.

### **Bricks 4 Kidz**

Ages 6-12

Week of July 11-15 | 9am-12pm | Cost: \$160

Join us for a week of all things LEGO! Campers will experience different themed LEGO motorized builds, LEGO Brick builds and challenges each day. Get ready to build your favorite video game and movie characters, build things that move and go fast, extreme animals, blast off into outer space and so much more in this exciting variety camp! Children will also play themed games and make crafts.

### **Welcome to the Arts (Introduction to the Theatre)**

Rising Kindergarten grade through 7<sup>th</sup> grade

Week of July 18-22 | 9am-2pm | Cost: \$200

We are so excited to bring an Introduction to Theatre Summer Camp to Christ Classical Academy this summer. We're calling it *Welcome to the Arts*. During this summer camp students will be able to learn all of the introductory parts to theatre. Students will write their own script, develop their characters and at the end of it all put on a show for loved ones. Students will also learn stage direction, choreography, and what it takes to put on a real show. We hope to see everyone there!

### **Karate**

Ages 6-12

Week of July 25-29 | 9am-12pm | Cost: \$160

MATI t-shirt, water bottle, daily snack, 2 crafts (different each week), break a board, and camp medal. We will learn the next belt curriculum (earn a stripe daily) for Friday testing. We will have visits from special guests like fire and police. Mr. Carder will show some of his weapons with demonstrate.
